

TRAVEL CONDUCT

1. Never go anywhere alone. Always travel “in groups of 3 or more”.
2. Always be aware of time schedules. Wear and check your watch regularly.
3. THERE WILL BE TIMES DURING THE TOUR WHEN YOU WILL BE UNSUPERVISED. YOU ARE EXPECTED TO ACT IN AN APPROPRIATE MANNER DURING THESE TIMES. You will always have a designated time when you will be expected to return from an unsupervised time period – *it is your responsibility to be at the right place at the right time!* The entire group depends on your meeting time deadlines.
4. You are responsible for your own belongings; wear your backpack if you are carrying stuff around. Put money or travelers checks in a safe place.
5. Meet ALL time schedules – time is crucial at tournaments.

HOTEL CONDUCT

1. Be in assigned rooms by the announced time. Room check will begin immediately after “in-room time”. ROOM CHECKS CAN BE ANY TIME DURING THE NIGHT.
2. After room check, you **may not** leave your room for any reason, other than an emergency. If the hotel calls and tells us that students are misbehaving, you could be sent home.
3. Lights out by announced time.
4. Phone calls must be made from pay phones in the lobby; your room phone will be disconnected for outgoing calls. Use a credit card or call collect.
5. Movie rentals will be blocked to your room.
6. You should know the chaperones’ and coaches’ room numbers if an emergency arises.
7. Rooms are to be left in a neat condition when we check out. Rooms may be inspected by chaperones before you check out.
8. ANY behavior resulting in hotel complaints, police action or any behavior which would cause school suspension will NOT BE tolerated!!!
